

**Only in
WASHINGTON**

Celebrating the creativity of photographers who share with us distinctive places of beauty, interest or personal meaning within the borders of Washington.

Presented by Washington State Convention & Trade Center

October 2, 2008 - March 31, 2009

Only in Washington is a juried exhibition of fine art photography that showcases the beauty and diversity of the state of Washington.

A statewide call for artists resulted in the submission of nearly 400 unique images from 107 different photographers. A jury then had the difficult task of reviewing each of the entries to select the images you see in this catalog.

Please contact the photographer directly about purchasing images from this exhibition. The e-mail address for each photographer is included in this program.

Special thanks to the jury:
Greg Bell, Jim McDonald, Tracey Wickersham
Linda Willanger and Karen Wong.

The public art program at the Washington State Convention & Trade Center, one of the largest of its kind in the nation, provides a unique showcase for artists from around the Pacific Northwest. Over 100 works of art are on display on four levels.

The Washington State Convention & Trade Center, the largest meeting and event facility in the state, is a public corporation established in 1982 by the state Legislature to provide economic and civic benefits for the people of Washington.
